Re: Our Client : Kevin Venable
Your Insured : Plumbing Solutions of Nevada
Claim Number : QR3549
Date of Loss : December 19, 2019

REQUEST FOR UNDERINSURED MOTORIST BENEFITS

Dear Mr. Babb,

This firm represents the interests of Mr. Kevin Venable in reference to his claim for injuries sustained due to the negligence of another. At the time of the collision, Mr. Venable was traveling northbound on Valley View Boulevard at the intersection of Fulton. The at-fault driver failed to follow the rules of the road by following too closely to vehicles directly in front of him. As a result, Mr. Venable's work vehicle was struck on the rear end. Unfortunately, the at-fault driver's insurance policy holder \$25,000.00 per person policy limits. Accordingly, we are requesting ACUITY AUTO INSURANCE to evaluate Mr. Venable's request for underinsured motorist coverage based on his damages.

Please find enclosed the following medical and billing records substantiating Mr. Venable's claim:

KEVIN VENABLE'S MEDICAL EXPENSES TO DATE:

PBS Anesthesia	<i>Will Supplement</i>
MML Physical Therapy	\$5,155.00
AMR	\$1,162.64
Valley Hospital	\$7,943.00
Shadow Emergency Physicians	\$2,040.00
Concentra	\$1,271.93
Simon Med	\$3,161.00
Bone & Joint Specialists	\$9,183.44
Radiology Specialists, LTD	\$34.00
Sahara Surgery Center	\$126,111.74
Desert Radiologists	\$3,301.60

TOTAL DUE TO DATE:

\$159,364.35

Mr. Venable had to undergo an Arthroscopic anterior/posterior glenoid labral repair, arthroscopic bursectomy subacromial decompression and arthroscopic clavicle resection. Along with this intensive surgery Kevin had to undergo months of treatment and physical therapy. In addition, Mr. Venable was evaluated by Dr. Jeffrey Hanks who performed a permanent partial disability (PPD) evaluation and determined that Mr. Venable suffered a 14% whole person impairment.

Considering the painful and permanent nature of Mr. Venable's extensive injuries, I am requesting Acuity Auto Insurance to evaluate Mr. Venable's claim and request Acuity tender payment through the underinsured motorist's benefits.

Please contact me upon completion of your review at 702-222-4555. I look forward to speaking with you. Thank you for your prompt attention to this matter.

Sincerely,

MOSS BERG INJURY LAWYERS
